

PARENT VISITATION SCHEDULE ~ 2017

- Find your son's/daughter's class/day/time and teacher to determine which day visitation is being held for his/her class. Please note, there are some classes with the same class name, but have a different teacher, day, and time.
- All classes will meet on their regularly scheduled day/time.
- Visitation will begin at the start of the class.
- This visitation is for Parents only, on the specified visitation day. We are sorry we cannot accommodate grandparents, friends, or other relatives, but hope all students will attend class during visitation regardless if they can bring a parent to visitation.
- Don't forget to bring your camera to capture your special dancer/gymnast/twirler!
- Email your photos to us at mstanya@ptd.net so we can share them on our website, Facebook & Instagram pages ☺
