EOD FALL FUNDRAISER OCTOBER 12 THROUGH NOVEMBER 2

GREAT WESTERN RESERVE FUNDRAISER

Hello Parents and Students!

We are presenting an “**Online**” Fundraiser that will enable all students to stay safe while earning money for their **TUITION, RECITAL COSTUME, DANCE SHOES and any EOD DANCE RELATED EXPENSE**. This is an excellent opportunity for students and parents to generate money to defray the costs of the above **DANCE EXPENSES**.

With our **Online Shopping Store**, you can privately share the fundraiser with friends and family via **EMAIL, TEXT and SOCIAL MEDIA** avenues. The **Online Store** is private, secure and full of great items for your supporters to order from. This is a great and easy way to spread the word and help you reach your goal! Various delicious foods, candles, holiday gift wraps and gift giving ideas are shown and priced on the **Online Shopping Store**.

All merchandise will be paid for Online and shipped to your customer’s home or to the studio. If you choose **FREE DELIVERY** to the dance studio, Miss Tanya will notify you of a specific day/time for pickup. Students can then deliver the orders to their friends & family. Delivery to the studio is expected in 4 weeks after November 2nd. *Please note: Your customers also have the option to pay for shipping to go directly to their homes. Their orders will be shipped out after each purchase.*

Students who participate will have **30%** of every dollar collected in sales saved for THEM. **Example: \$200.00 in sales x 30% = \$60.00 on your account.** *No cash refunds will be made on the 30% credit earned.* Remember what makes this so great, is that your child can **EARN 30%** for their **EOD classes/expenses** while **staying safe** and sharing the fundraising information.
